Sound Master

Product Description

Product Name	Public Address Professional Amplifier (LPA-380TF)
Material	Aluminum Alloy
Function	Play Music/Video
Package	Box/Carton
Application	Public Address System
Rated Power	380W
Color	Black
Voltage	70-100V
Single package size:	49X37X10 cm
Single gross weight:	14.000 kg

- **Product performance description**

    1. U disk SD card plug and play, with remote control, radio, Blue tooth receiver module. 3 microphone inputs, 2 AUX inputs, 1 AUX output 2.100V, 70V constant voltage output and 4-16 ohm constant resistance output 3.5-unit LED indicator, with wiping function, easy to insert emergency broadcast, output short circuit protection and alarm, overheating and saturation distortion warning 4. Four-zone output. Independent volume control in each area, 2U standard chassis design, aluminum alloy panel, beautiful and practical

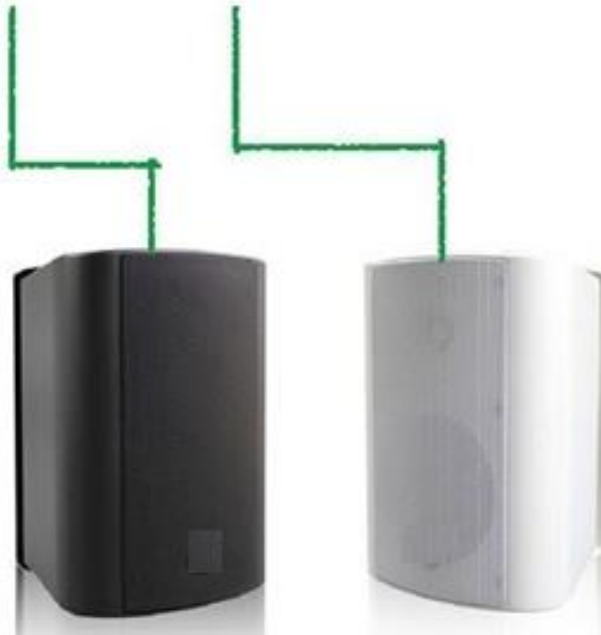

Sound Master

Pre−amplifier with 4 Zone+FM+USB+MMC+Wirless contronal+ bluetooth+individual volume contronal
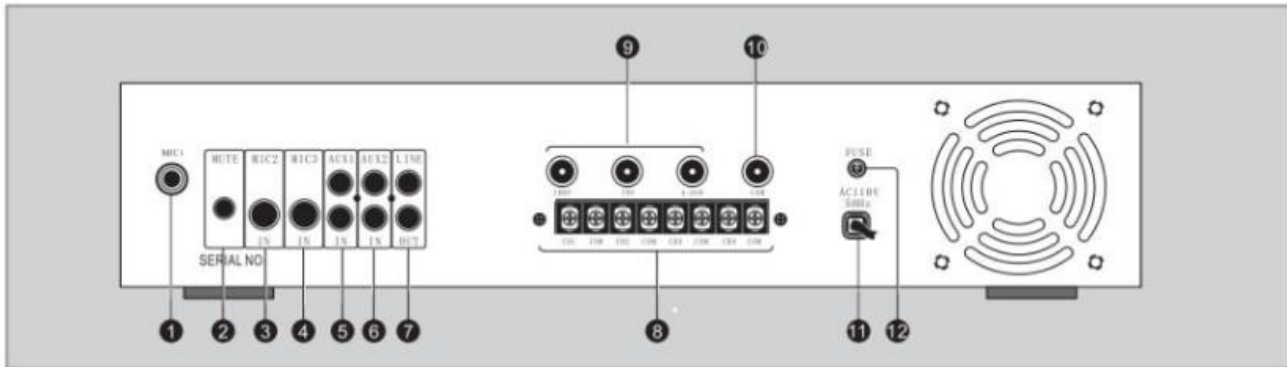

Features:

1: Bluetooth receiver module, usb plug seeding.

2: AUX input microphone input 3 road, 2 road, 1 road AUX output.

3: The output voltage 100 v, 70 v output, and 4-16 Ω resistance 5 unit LED display.

4: Output short circuit protection and alarm, overheating protection and alarm.

5: Each independent channel volume control, high and low control.

PA AMPLIFIER
Features:

1.USB Plug and Play.
2.3*Microphones inputs, 2*Aux Inputs, 1*Aux Output.
3.70V.100V Voltage Output and 4-16 Ohms Impedance Output, 5 pieces LED Indicators.
4.With erase function, easy to insert emergency broadcasting,
With protection for short-circuit, over-heating, over- saturation and distortion.
5.With independently sound level for each channel, and with Bass, Treble.

Product parameters

Product Name	Professional amplifier
Material	ABS+Metal
Function	Play Music/Video
Package	Box/Carton

Sound Master

Model Name	LBG-502
Waterproof	Yes
Speaker Type	In-ceiling Speaker
Type	Passive
Use	HOME THEATRE, Mobile Phone, Karaoke Player, Stage
Power Source	AC
Number of Loudspeaker Enclosure	1
Cabinet Material	Metal
Display Screen	NO
Audio Crossover	TWO-WAY
Woofer Size/Full-Range Size	6"
Set Type	Speaker
Feature	Play Video
Material	Plastic
Communication	AUX, Audio Line
Output Power	15W
Frequency Range	100HZ-20KHZ
Tweeter Size	1"
Channels	2 (2.0)
Special Feature	Wireless, Mini , Wall Mounted PA Speaker , Perfect Sound School, Office
Frequency	Response 90-20KHz
Line voltage	70-100V
Sensitivity	98DB

Sound Master

Industry-specific attributes

Style	Headset Microphone
Communication	Wired
Use	Speaking, Teaching , Speech, Conference, Churchs etc

Other attributes

Model Number	HM-9707
Type	Back Electret Condenser Microphone
Color	black Color
Application	configure to shure / sennhersir / AKG wireless microphone system
Plug	6kinds plugs, could use for kinds brand wireless mic system
Advantage	skin color which more popular and more professional for users
Feature	Mini exquisite and Invisable Beige Color
Directional	Omnidirectional
Usage	Stage Performance, Singing, Speaking, Hosting, Interview, Speech
